23. (Secret - LLM) LIAISON Following a session with Jack Blake, DDA, and Paul Velte and Clyde Carter of Air America, accompanied [] to a meeting with Chairman Lucien Nedzi, Special Subcommittee on Intelligence, House Armed Services Committee, concerning a possible sale of the remaining assets of Air America.

25X1A

[] brought Mr. Nedzi up-to-date on the current status of the liquidation and reviewed the pros and cons of proceeding with negotiations involving the purchase of the remaining assets or of disposing of them through the GSA. A factor not present at the time of the earlier sale of Air Asia was the confirmation in the Rockefeller Commission Report of Agency ownership of Air America. Mr. Nedzi suggested that the problem be fully examined by GAO and that he would lay this on. Concerning Chairman Jack Brooks', House Government Operations Committee, interest relating to these matters, Mr. Nedzi suggested we contact him directly.
